KEY LIME *Pie* SOUR

Everyone has their own favorite version of **Key Lime Pie**, and this is ours. Tart on the tongue with a bit of pie-filling creaminess from the Lactose and overflowing with flavor that packs a lip-puckering punch. This is the beer you'll want beside you when you need a little something on the wild side.

Give it a try, this is one recipe that won't be kept secret for long.
