# WHOLE LOTTA CITRA DOUBLE IPA

Introducing **Whole Lotta Citra**, the latest gig in our ongoing **Single Hop Tour**, a bold **DOUBLE IPA** series amplifying the complexities of a singular hop variety with each new release.

Whole Lotta Citra is anchored by a sturdy but subtle malt foundation, providing the perfect stage for the star of the show to shine through. Hopped throughout the brewing process with ample amounts of Citra, this bold yet balanced double IPA bursts with a strong citrusy profile of grapefruit, lime and tropical fruits. Be sure to experience this Citra hop showcase while you have the chance because like your favorite band rolling into town, when it's gone, it's gone.
