# SOUR SAMPLER

## SOUR SAMPLER 8 PACK YEAR-ROUND RELEASE

Having a party or heading to the beach with friends? Look no further than the new Smuttynose **Sour Sampler**. Featuring two each of **Blueberry**, **Black Cherry**, **Blackberry** and **Raspberry** Sours, made with real fruit and all at a sessionable 4.2% ABV in 12oz. sleek cans.

Smuttynose Sour beers elegantly combine the art and science of brewing. We use only real fruit to create the complex all natural aromas and flavors while optimizing our favorite lactobacillus and yeast cultures to produce the clean, complex sour and slightly fruity character. This attention to detail and ingredients shines through in each of these beers.
