

# WOOD CHOP

## CHOCOLATE STOUT

A hearty day's work deserves a hearty reward, something rich and full-bodied and satisfying. No stranger to getting our hands dirty, Smuttynose brewed a beer fit for just such an occasion, the libation we reach for when all the chores are done and it's time to kick our feet up.

**Woodchop Chocolate Stout** is dark, deep and sinfully smooth, brewed with a healthy dose of cocoa powder for a balanced but bold chocolately finish that'll satisfy your sweet tooth without filling you up. Go on and grab a second helping - you've earned it.
